Additional comments:

Fees for North Seatac Disc Golf Course are \$2 per player from entry fee to go to: Discovering Open Spaces 501(c)(3) DOS is the governing body that umbrellas Chainbangers Collective. Without DOS there are no grants and no funding to help with the upkeep of Seatac Disc Golf Course.

Fees for Lakewood Disc Golf Course ,through King County Parks is \$500 to reserve the course for the day.However if you propose to run your event through Chainbangers Collective and are willing to have chainbangers disc golf shop take care of your scrip, this fee can and will be waived.

The reason this is made possible is that Keith Lionetti, the owner of chainbangers,and president /founder of CC has ammended the current KCP user group agreement stating that any event hosted by chainbangers,or affiliated with chainbangers,fees will be waived.Due to the shop giving a percent of all sales to the park,as well as thousands of volunteer hours donated to the park,in efforts for overall improvement.
